

[SYLRA Newsletter nr. 1 concerning the arrival to Denmark](#)

Dear YL's and OM's,

Time is now exciting near, where we are going to meet each others in Roskilde, Denmark.

To ease your arrival we try to describe some of the most common ways of getting to Roskilde and Hotel Prindsen in Roskilde.

[By car](#)

If arriving by car, we advice you to study your trip via Google map or GPS if you have it installed in your car. Roskilde has a lot of one way streets. The hotel is situated centrally in Roskilde City. The entrance to the hotel is facing a pedestrian street named Algade. By car you will have to hit the back entrance on the back side of the hotel in [Sankt Ols Gade nr 2, 4000 Roskilde](#), where limited free parking is available for the hotel guests. We wish the driver and the navigator good luck.

[If arriving by plane](#)

You will normally arrive to Copenhagen Airport in Kastrup - about 8 km. East of Copenhagen Centre. Roskilde City is situated about 30 km West of the City of Copenhagen. To get there you have two options - train or taxi.

Taxi is estimated to Danish currency Danish Kroner - DKR. 700,-.
Can be more during traffic hours with heavy traffic congestions.

Train connection from the airport Copenhagen to Roskilde Station. Tickets for the trains can be purchased in the arrival hall upon arrival by plane.

[Option nr 1](#)

Normally there is one train pr. hour coming from Sweden for other destinations in Denmark, passing and stopping shortly in Roskilde. Duration of the trip is about 45 minutes. Price estimated to Danish Kroner 110 per person.

Option 2

For the more experienced explorer there are trains about every 10 minutes which will require a change of train at the Copenhagen Central station and to find the right railway track for departure toward Roskilde.

Option 3

Across from the airport there are electric trains the METRO with departures every 3 minutes but very complex with several changes of trains. Not to be advised by me.
